Subject: John Brockman

John Brockman called to throw out an idea...he is wondering if your =elicopter might have room to bring up Dan Kahneman and his wife, Ann =reisman...they were to drive up with his son Max in the morning but Max =as a dental thing he must take care of. John has not mentioned this to =ahneman, he just thought he would run it by you first. Kahneman and =ife can certainly go up with Max when he is done with his appt...John =ust thought you might like the time with Kahneman if it was possible...
