Just spoke to Dennis.,

Gogo internet is being installed at this time in fort Pierce FL. Completion is Feb 2nd, the aircraft has a charter scheduled to Ireland on Feb 4 and returning to palm bch feb 6th.

-Dennis said they are not painting the aircraft, it was mention if the owner was going to keep the plane.

-Eric Roth informed me during our visit in Islip that he knows a shop that would quote \$150k for strip and Paint for a GIV.

-Duncan Aviation located in (Lincoln Nebraska) I believe has an open slot (cancellation/discount) for large aircraft paint job,. Input date is Jan 25th, I'm checking to see how flexible that date is and pricing. Duncan is one of the best paint shops around.

Thx
Larry
