Finally there with the Dist Net Inc # from Apollo but I have a question on 2012 that relates to timing.

I paid out income to Leon rec'd from dividends for the 1H12.

As you suggested, I have retained the 3Q div in Black Family Partners

On the table presenting the Apollo income, I believe I should show income thru 9/30.

That would be correct assuming we take action before year-end.

They do have an estimate for full year. Sounds like #s are still moving around though.

Do you want the full year # or just thru 9/30?

Thanks.
