The best they can do is

Slide the existing T1 link down the tower on Sandia Crest and =anch, reestablish service this wil= take two days and 4 men, cost \$6800.00, /dow= time 2 days instead of 5 days once new link is installed, decommission o=d T1 link, down time 2-4 hrs.

do you wish to proceed with this option

I did initial indicate to Rich, we could perform this work for \$3500.00, but after review in scope of work with Future Tech, I would advise Sierra Nevada perform this work.

Centurylink have indicated this could possibly delay install of Circuit

Do I have your approval to move forward with Sierra Nevada
