Subject: Re: NYT

Hi Jeff=/div>

I'm in Serengeti, Tanzania

No real communication. Cannot open the NYT article. B=t to judge from the article's title they are at least exaggerating if not t=tally wrong. This attack will not change strategy in a major way on either s=de. It will however raise respect for DJT in Moscow and few other capitals.=That's not necessarily bad, if the WH won't read this change as a precedent=which calls to be repeated too often.

Best
EB
