Jeffrey,

I spoke to two duty managers at JFK, they want us to preclear in St thomas,. Since customs in St thomas is open and available for preclearance, JFK customs Officer Black whom I just spoke told me they never clear st thomas aircraft in Islip, I told him we have done this in the past, but STT customs was closed last time, they are un-believably stubborn and don't know the rules, Frustrating, I will call again after lunch and speak to another agent.
