Hi Svet,

No, he said that he cannot do the letter for you because he did not=agree with things that were in the letter. One=of the issues is that the Department of Education did not receive any mone= from Enhanced Education, it receive the funds from Southern Trust Co=pany. The other issue is that he does not agree with how you describ=d your involvement with the STEM fair and the Department of Education.

With warm regards,  
Ce=ile
