FYI the Owner of this Aircraft is NOT a US person nor is it a US Company SPV.

Therefore, the reason for it being registered to a Wells Fargo Trust as Owner Trustee.

Thanks

I can have Wells Fargo as Owner Trustee to provide you with a Direct Warranty & FAA Bill of Sale

Note that the ultimate beneficial owner of the Seller is Alireza Ittihadieh

This is the language contained in the bill of sale to Chulavista Limited:

Seller hereby represents, warrants and agrees to and for the benefit of Buyer and Buyer's successors and assigns that it is the lawful owner of the full legal and beneficial title to the Aircraft; that the Aircraft is free from all liens and encumbrances; that Seller has the right to sell the same as aforesaid, that good and marketable title to the Aircraft, free from all liens and encumbrances, is hereby conveyed to Buyer and that Seller warrant and defend such title against all claims and demands forever.</=:pan>

Let me know if you have any issues with it.

For disclosure purposes, we need to know if it is a back to back transaction. Money laundering laws are very meticulous now, especially with a Swiss company. We would prefer to buy directly from the current seller.

No penalty to Seller if t=ey refuse to make any discrepancy corrections; only get the deposit back; =nbsp; we should get inspection costs and transaction costs if they refuse to make discrepancy corrections. No provision for a seco=nd flight test to check discrepancy corrections
