I will get the answer from my agency, maybe they will confirm an offer to go to Milan or Paris.. i would really like to see the world, start to live independently also...but it's still hard to me to communicate in another language, i think it's one of the main things which made me very confused.. Anyway, you are right, i must not be afraid and try. Thank you so much for being supportive and caring.

you should know that the first rule of business is , , if you say you are going to do it , do it. . you sad pictures with heels smiling, but everyday, you say you got home too late. this is silly and not good for your future. I spoke to your sister and she thought you were not serious. I hope you succeed. I can tell you are smart but you are behaving like a little child. you need to find a way to leave Lithuania and work and earn a living. fashion design is no money. you need to earn money, i wish you well and good luck

I am in Paris until wed , thurs, if justina approves , and only if she does I might send you a ticket so that you can meet the agencies. in Paris or if you would like to come to New York you can do that . but lets skype
