Subject: LSJ - Old pump vs New Pump

a lot of drama

my main concern is danny =s very sloppy and never fixes anything 100% / only patches michael's is clueless to what danny is doing and anna just =grees with danny..

The Bladder in the air pump have a hole.

The issue with the old =ump was that it stopped pumping water due to severe corrosion which =aused the air bag in the pump to fail. Yes they were not =aintained properly but it's NOT BECAUSE it ran dry. I told Michael =lready that I seen the damaged pump

For the new pumps the bladder in the =ir pump have a hole so the air tank need to be replaced today then the =oise will stop. I'll purchase a new air tank this morning and have it =nstalled asap

Ann R.
