Hey Rich,

Michael can't remember anything before or after it happens. After you send him emails. He calls me to get answers and I don't understand because he talking to us all the time -He likes to converse a lot but then forgets everything right after-

You sent Michael and I an email last night about GSJ water. Michael calls me last night to ask me why GSJ don't save water when he was the one that asked Danny to leave it and work on SJ

I don't think Michael needs my assistance on LSJ/GSJ because he's not willing to understand how things work out here. Every time something goes wrong he want to call in outside people, if that's the case then LSJ/GSJ just needs a "Houseitter" not a "Manager"

When you're talking to him he says yes! OK! I got it! it's not a problem! I'll handle it! but then he forgets and call days later to ask who? What? When? and Why? =br class="">

This is crazy...

Ann R.
