Omg!!

I don't want things going=" missing in the hurricane " which are valuable to you. I know how a certai= type can operate. Should someone=we trust go down when the airports open to take stock of everything and pho=ograph all houses still standing and blown down so everyone is aware that t=ings are accounted for. I don't know, maybe anna and daphne are trustworthy=enough. I can help with anything if you need.
