Jeffrey,

The cost of the G650 sink (<=>just the sink – not the modification of the outboard area, the=install, engineering, certification, etc.) is \$7,100.

Should I still be working up the estim=te to include this sink or do you want us to replate the existing oval und=rmount sink for the new Corian countertop?

I am working on your revised proposal =nd need some direction.

Thank you.

Best Regards,

Eric
