dear jeffrey,

I left a voicemail for Da=ids contact and gave him exactly 2 days but he didn't respond and didn't respond to my email either. I understand and don't mind but want=d to keep you posted because its through David.

I=will continue applying to things I find. Also no word on EAD (empoyment au=horisation card) yet.

I have taken cymbalta on 60=mg for a week now and have definitely been feeling some shift toward more =energy, more motivation and easier for me to get things done. I am hoping f=r still further improvement so will keep monitoring. Also I cry a lo= less now.
