Hi Jeffrey,

I said I would get back to you by the end of the day!

I'm sorry that your top pages on google are still a mess.

Tomorrow am working on:

Wikipedia

Enhancing your linkedin /google plus etc [REDACTED]

[REDACTED] and other things? URL's similar to your .org site will rank high on go=gle.

Who is your webmaster? Can I call him?

also it would be good to put some simple content on your website-- and we ca= have a menu of all the press that goes out.

Also, you have some positive old press in the ny times and crimson etc and t=ying to see how to get these pushed above the bad stuff.

Any chance of getting a precise pitch from reputation by giving them your na=e?

If not no problem
