Hello Faith,

I talked to [REDACTED] before Chael show last night, she said she wanted to be a model, not a talent, and make some money.

She's been working out with Candy Bruna for few weeks who introduced her to her agent, who sent yesterday morning a letter to Next about changing agency. We should receive it today.

[REDACTED] is having doubts and regrets her decision, she wants to stay at Next. We see her on Friday morning in order to discuss the situation and her possible career as a model.

We've been talking to her since she joined Next about her personality, what she wanted to do and show, bands she likes etc...she never gave us a hint of what she'd like to do and who she was. We only had two edits on her.

We'll check with bookin= team here if they're interested in rep her but not sure she has a modeling future ahead of her. We'll keep you posted.

Just wanted to let us know the situation,

Thank you,

Axelle
