I will tell her that without you it would not be possible!

Just to be clear 😊

Did you tell her anything re what actually happened? I never ever mentioned her anything (nor I will as I think it will bite me). Please let me know what she knows.

I tried to find email but it is not on my current laptop.

I was at that time at bgc3 server. I downloaded all emails but they are on the physical device in Seattle. I should be there after 17th and will check.

Again - great seeing you!!!

Best

B
