Jeff,

David is a "named/seated" Professor at Wharton and the Penn Medical School. He is one of the US's leading thinkers on Medical ethics. Still has a wicked sense of humor and a sharp mind.

My own background is far more modest and you can check it out on Wikipedia. You may find Mr. Steve Persky (Dalton '76, Harvard '81) and my use of the name Dalton Investments, amusing. :)

Regards,

jamie
