Got invited to a top secret dinner that felt so much like something you woul= host

Had to meet at hay Adams (White House ) and be transported somewhere far in v=rginia

Rolled up to a huge General Dynamics Building (office building ) but inside w=s not an office. It was a library with some of the most bizarre and unbelie=able relics. Declaration of Independence ...all of Vesalius stuff (did you k=ow he was a dwarf?). ...nazi weirdness...samples of all elements in the per=odic table...stuff from the moon...meteors... Bible things.

Anyway it was so cool and the space wasn't fancy. Wood floor, square room. Y=u could open and touch all of the books even the super super olds ones. I e=joyed the Amharic stuff on wood and leather about medical magic from like a=zillion bc.

Table in mid room. I sat between Vint Cerf (if you don't know him you MUST m=et him...founder of internet protocols and head of all kinds of stuff and w=n the Turing prize among other things plus HILARIOUS). On my other side was=the amazing Randi the magician. He's like 100 but so so funny and his brain=works and his tricks are like Blaine's. But he's done ridiculous things in h=s life that just make you life. Like he recreated the 1935 magician guillot=ne so he could Go on tour with Alice copper and get laid. He also has some connection to wo=dy Allen I think?

Dinner hosted by reclusive and weird mad genius billionaire dude named Rick A=ams who I loved. His wife is doppelgänger [REDACTED].

You must meet. And Vint and randi!!!

Rest of folks were grown up types famous but not inspiring.

We started at 7p and went till 2am

Felt like being with you especially since I laughed a lot=?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN" "http://www.apple.com/DTDs/PropertyList-1.0.dtd">
