ok. thanks.

On another matter, I would like to make a big deal and have a press release about the \$2M gift..to Origins from Leon Black Foundation. Are you ok with that? Do you want to be quoted?

Hi... need some =uidance.. We weren't able to get the cash for our house in =ustralia transferred before the exchange rate dropped well below .87 =SD per AUD. It is now around .8-.81. We have \$425K AUD =here.. want to transfer eventually here to invest and also pay =own some fraction of our US mortgage. Not in an urgent =ush. Suggestions? I think the money is earning 4% or so in =UD while it sits there... Should we move it and take the =0% hit since Nov on the exchange rate, keep it there looking for an =ptick, move it to some other intermediate currency that may =ise?

Sorry, =ut I have no real understanding of what option might be best, and this =s your area.. thanks for any advice, which will not be held =against you later either way.. :)
