Jeffrey-reason is to facilitate ease of transfer from apo2 to apo-o rather than having to get multiple gp signoff's. You ok?

Subject: Moving APO2 financial investments to an LLC

- * Ada and I spoke and she agrees this would be a good idea to move Apo2's financial investments to an LLC
- * We need a name for the new LLC. Rich J suggests LDB 2015 LLC.
- * If no one disagrees ADA can form the LLC under that name, get an LLC agreement in place and we can start this process.
