S=bject: Hi! Friend of [REDACTED]

Hi [REDACTED],

domes for rest and relaxation.

We need to find a home for a Dome in New York for a=couple of weeks whilst

its en route to its next destination but we require a space that does='t have

m=ny flights of stairs and a very large entry way.

[REDACTED] made a joke that the widest doors o= any town house in New York are Jeffrey's -:)and that maybe he
woul= want/wouldn't mind housing/ the dome for a couple of weeks

in the hallway and=that the girls might enjoy trying it out.

Here's our website <<http://www.somadom=.com>> and a few pictures of what it=looks like.

Best,

Sar=h
