Ok –= we will plan a lunch when you arrive. I will meet you at the airport.

Then after lunch we can g= downtown for a bit and head back to the airport at 3.</=>

Y=u plus 3, got it. (I assume excluding your pilot?)

That is a total of 4 =o we will be 8 (including the pilot) in the helicopter on the way back.

=ichard asked if you wanted to stay for dinner.

I was planning on having =ou back at the villa for lunch. Does everyone want to come over or will yo=r guests want to go downtown and go shopping or something?

I just need =o know the totals for ordering lunch.
