Greetings Mr. Epstein,

1. Hangar:

=div>Capitol Steel Structures has the dimensions and basic door specs for the design of the hangar. They were expecting a set of plans; so they have to create plans, and then will provide the quote for your review. I have a call in to them for a schedule.

2. Shed:

We need your advisement on the final location and dimensions of the shed.

3. Roads:

Jimmy expects to complete the quote for the road by today, no later than tomorrow.

4. Dome:

Neville Samuel quoted \$16,485 on 7/1 for the dome. Roy is trying to get in contact with him to re-negotiate the lower price, as you advised - I will also work on contacting him.

Daryl Poholoa, who was recommended by Jimmy, says he received the photo of the dome from Jimmy, but has not had a chance to review and quote - I will follow up with him again tomorrow.

5. Tile:</iv>

LMT International quote for the tile is \$10,690 - unit price is \$2.35, not the \$2.00 Jimmy quoted originally. Jimmy called LMT to argue the price mix-up - the vendor explained that the \$2.00 price was based on an old date - when LSJ first bought tiles back in 2007, and that the vendor had tried to keep the price as close to cost as possible over the years, but it has been a while since LSJ has ordered and the 4400 quantity does not even fill half of a container, so at this time the best he can offer is the \$2.35 price.

Jimmy had also asked LMT to add the white thinset to the order, as it will be more expensive here on St. Thomas. LMT is re-working the quote and will email it over today.

6. Entrance:

Jimmy will contact the 2 stone masons that did work over on Water Island. They are from St. Lucia, and he says their work is very good. Jimmy recommends LSJ hire them on a weekly basis and pay them directly.

7. Kawasaki seats for existing bikes

Todd of Palmetto Motorsports is working with his vendor to get us a quote at the wholesale prices. I expect that quote by tomorrow at the latest.

8. Four mules

Rich has completed negotiations for the purchase of the 4 Kawasaki 2012 4010 mules. \$43,600

=div>9. Another Polaris 850

Rich is contacting Greater Yamaha =or the quote. Scheduling will depend on which units (850 or 550) are cu=rently in production in the factory - unless they have the model currently=in their showroom.

10. Outdoor speakers

Roy will need advisem=nt on the speakers. Do you want the same type as at the Flagpole Pool?<=div>

12. Equi=ment to sell

Rock crusher - listed on Craig's List 7/17, will list on Ebay once=we have the dimensions \$40K (\$30K) Dozer - \$ 8,000 - 4,000 =div>Dump truck \$7K (\$5K) JCB backhoe \$12K (\$8K) - Roy recommendi=g lowering to \$5K
