Jeffrey,
I've decided to stay in the NYC this week. I have work to do at the office and want to be there for your demo flight on Tuesday and make sure all goes smooth.
Would you like me to come to 71st for our conference call with Sean tomorrow? I'm waiting to hear from Sean to make sure if he's in office tomorrow for our call.
-I'd like to check out 6th floor stereo and see if Scott installed the blown speakers already, Thx Larry Sent via BlackBerry by AT&T
