Jeffrey,

Boeing needs to be in Maintenance before May 1st, The plan is complete aircraft re-weigh and mandatory AD's that are due at that time, Larry M will have a down time for these items by Monday, then complete we would comply with 5C check in August 1st is drop dead date,.

I separated these inspections for minimal down time, since you mentioned Africa Mid May??

I would like to fly the Boeing Tue or Wed to Savanna for inspection, is this approved? The faa meeting is Thursday in Orlando.

Thank you,

Larry
