it should be easy, but of course its highly convoluted and unclear. tom and joslin had intended to send the attached ( par ) clearly it doesn't tie out . why send. ? it is obvious that there are missing numbers form other entities that i have now asked tom to investigate and include. ( fyi I cannot find the amt amount the agent references ,though it is immaterial, as an AMT item ) as I dont think he was in the amt that year. sorry i am at a conference - can talk very late in day or tomrow.
