I was asking =hris for pictures of the Palms on Monday and Chris called the farm for =he guys to send pictures because he was unable to do so due to bad =eather during the tagging. Then we found out that the farm sent new =uys down to pull the Palms so I sent Chris down to make sure the new =ullers pull the right Palms and for him to take the pictures

i just spoke to mike and he mentioned that chris went back to HR to take pictures
seems like a waste of time and money = did jee request this?

if not then this cost should be deducted from his pay as he was told 2x in an email to take photos and
should be a given..

thanks
