Jeff,

Sam spoke with your assistant briefly and I think they're working on something. Sam is leaving for the airport now but will be in Palm Springs tonight and tomorrow – his cell is [REDACTED]. We don't have your cell.... so Sam wasn't able to reach you when he called your office.

Jeff,

I don't know if Sam Belzberg and I still have your current contact details, so taking a chance with these emails. Sam will be in NYC most of next week and was wanting to see you - if you were in town?
