I did not make =p an answer. Danny V and I discussed the pool project at 7am this =orning.

You never gave this a chance. For 3 weeks ='ve had nothing but negative feedback and no communication.

Not the Jeffrey Epstein I remember from =arlier.

Jeffrey,

With all due respect. I =as asked to come here to sort out the staffing, not to be an island =anager. Anna is in charge of the outside crew and I've created a =osition that works for her.

No, I don't know what =every person on the island is doing at all times. If I were to oversee =every single person, I would not get anything else done.

I get it. You are not =appy with my performance and I can accept that and will pack my bags. =ut, I never signed up to be an island manager. You asked me to come =ort out the situation with Brice, [REDACTED] and Anna and staffing in =eneral.

I found a couple you =ike, split up Anna and [REDACTED] so they can co exist and gave them =realistic areas of responsibility.

On top of that, I've =een keeping an eye on both [REDACTED] and Anna's areas of responsibility and =elped out where needed. Including spending all my day Saturday cleaning =eaches and plucking weeds, rearranging stones for your =rrival.

I've never once had a =hance to sit down to define my role with you. I was asked to come to do =ne thing and then is expected to do something entirely =ifferent.

Sorry it did not work =ut.

I will coordinate my =eaparture with Rich

Sincerely

John

rich, this is unforturanley =ypical. . johns answer is totally =abridged. fiction. no basis in fact knowldge =r accurate - it turns out chris =ccidently ripped out the electric when they planted

the new =rees. . jason said john never spoke to him about what he =as doing only the fact that he would report to [REDACTED] not =ure what a manager does who has not the first idea of what is actually =appening.

New solar plant, new generator. So new runs are needed. Maybe =he pool never had electric.
