New sign-in from Firefox on Mac

=/td>

Hi Jeffrey,

Your Google Account jeevacation@gmail.c=m was just used to sign in from Fi=efox on Mac.

<https://www.gstatic.com/accountalerts/email/anonymo=s_profile_photo.png> =/td> Jeffrey E=stein
jeevacation@gmail.com<=span>

</=d> <https://www.gstatic.com=accountalerts/email/down_arrow.png> recently used devices now.

Why are we sending this? We take se=urity very seriously and we want to keep you in the loop on important acti=ns in your account.

We were unable to determine whether you have used t=is browser or device with your account before. This can happen when you si=n in for the first time on a new computer, phone or browser, when you use =our browser's incognito or private browsing mode or clear your cookies, or=when somebody else is accessing your account.
