Dear Larry,

Good morning. I hope you enjoyed your memorial day=weekend. Please see below the 2 communique's that I received f=om Royal Jet pertaining to the formal Offer we made on Wednesday May 24.

Personally I don't believe they actually h=ve a better Offer. If they had a better Offer why are they still soliciting=us ??? I'm going to write them a response shortly and I will c=py you in.

Very best regards

Bob P.

Subject: Royal Jet

Hi Bob, I briefly spoke=with Rob on Thursday and he felt a bit insulted to be honest. He seemed qui=e disappointed so he prefers to work on the other LOI we had received which=has similar conditions but at a much better price...

Dear Bob=

&nb=p;

Our apol=gies for not responding earlier.

&nb=p;

Unfortun=tely our leadership has rejected this offer as it is well below other offer= recently received with similar conditions.

&nb=p;

Please d= let us know in case you would be willing to re-submit a better offer.=/o:p>

Subject: Formal Offer to Purchase Boeing BBJ S/N 30884.....=...IMPORTANT MESSAGE [REDACTED]

Dear Claire,=span>

Good Afternoon. Many th=nks for helping to clarify the engine situation on your Boeing BBJ S/N 3088=.

As mentioned I have bee= officially hired by Plan C, LLC to represent their interests to try and Pu=chase the BBJ S/N 30884 from Royal Jet LLC.

The advantages and high=ights to our Offer are as follows:

1. &nbsp; The client Plan C LLC has already viewe= the aircraft in great detail and are willing to accept it in its cur=ent condition.
2. &nbsp; The Offer has very few conditions=and it offers a no-nonsense quick closing.
3. &nbsp; The only pre-buy requirements are Boros=ope's of the Engines, Log Book research and simple DAR inspection t= insure that it meets US FAA certification.
4. &nbsp; All inspections can be accomplished rig=t in Abu Dhabi , as you requested and there is a very limited exposure to R=yal Jet to incur any costs whatsoever. ( other than it's planned en=ine change )
5. &nbsp; The Offer references a Quick closing on=an AS/IS , Where / IS basis.

This is the deal that R=yal Jet always discussed and now with proper management through Opus Aerona=tics we can assure you a seamless , quick transaction. Our client is also f=exible on closing whereby Royal Jet can effectively take the aircraft out of service on your schedule=

In summary I can honest=y say to you that this is the cleanest and most uncomplicated transaction I=have ever seen in my 35 years of selling aircraft. This is a high qua=ity deal coming from a very qualified Buyer and I believe that this Offer is worthy of your serious consideration=and acceptance.

In closing , please be a=vised that our fees are being paid by the Buyer with no financial remunerat=on whatsoever coming from Royal Jet. We also have the ability to re-submit t=e Offer through Windstar Capital Corporation if you so desire as I believe Windstar was an exclusion to your=existing brokerage agreement.

Thank-you in advance for considering this formal Offer to Purchase and we look forward to receiving your favourable response.

Best Regards,

Bob Peerless=/
