however, he said he wanted me to finish the work on the 8865, and I told him it is unfair , very unfair that given the gift tax audit, that i myself drafted guided and oversaw. and he entire year of advice that he should tell me what he will pay. BEFORE i continue . not like the last time when he nodded ok ok, and then decided to ignore our agreement and its formula and unilaterally only pay bupkis. . i told him just tell me and then i can decide whether or not to work . I dont want to leave him in the lurch nor stand by and watch him get himself in trouble. but he refuses at least until last night to even propose a number. . any help you can give , Id appreciate. , He will need much time and guidandance and guile during his divorce. it as we both know now will be ugly. . Not sure why he keeps saying but i dont see value.? how much is that worth. ? thx.
