Great!! I can have the entire place to myself!!

Do not worry. Just my weird sense humor. Hope I didn't create a heart attack...

Hi Jeffrey,

My time in NYC in May is getting crowded by meals and meetings with folks at Columbia etc., but I would love to see your spectacular place. I arrive sometime on Sunday 14 May (from the middle of nowhere — Penn State!), and am totally tied up on Monday and Tuesday. I have a 99m meeting a friend who is flying into NYC from Paris on Wednesday night, and she and I are planning to return to Boston on Thursday or possibly later depending on evolving plans. Anything possible with that schedule?

Of course you're welcome to attend my lecture on Tuesday afternoon — I think it'll be at the business school, but I'm not yet sure.

Best, Don
