Update. The island is very very bad. =AO will take 2 years to make decent . infrastructure landscapi=g . structures roads. wiring irrigation etc. . st thomas airport wil= not be open for another week. people on the island not allowed out =f their houses. curfew due to violence. ! surprise \

=br>

Palm Beach , no power yet , no one at all=allowed on the island yet, due to power lines down. it w=ll be a mess for a long time. hopefully mostly landscaping.

Unfortunately this leaves me no place to get peace and quiet =AO except 71 st and the Ranch. . so starting thurs. 71 s=reet will need to be under new rules. I do n=t want any construction repairs done while I am there. We need=to make the second floor peaceful and the house quiet. the lit=le secret room will be for meetings. I will try to move up from the=dining room to the tiger room . I need staff well dressed and quiet= . In that regard the only person in the house from 8-5 will be les=ey and house staff. This is unless specifically required to he=p with a lunch or a dinner. I expect fewer deliveries =AO no noise and I want the staff to know except for time set aside if nec=C2 I prefer little conversation. . =C2 package room and things will wait to be sorted on weekends =AO unless urgent. .

Dinners can no longer have the gang i= the kitchen. we all need to understand PEACE AND =UIET. .

I will have to make significant changes =o many things. The business in the island will be dramatically=different , if it survives. finding people to rebuild is very diffic=lt as florida st barts and much of the caribbean will all be looking for th= same people and material.

Thanks for yo=r understanding. -- this is a major pain. but no c=oice.
