He will be transported and admitted to;

BG Trauma Hospital Hamburg  
=Mountains Strasse 1=  
21033 Hamburg<=span>  
+49 (0) 40 7306-0 <tel:+49 (0) 4= 7306-0> <=span>

Abdulla bin Sulayem will fly up in advance on Emirates and be there at the hospital before we arrive.

I will try to keep you updated along the way and certainly after we arrive at the hospital and get an accurate assessment of his condition. I have been close to him all day and have still not been able to get the MRI data or the extent of the damage to the vertebrae as he was - as usual - managing his own condition with the local doctors. He seems to be convinced surgery is in order and while he may be right I have not seen the evidence as of yet.

Best,  
Jim
