Dear Terja,

Thank you for the tickets to Oslo.

I think it is an immense contribution to the understanding of the Isr=eli - Palestinian conflict and I got the impression (which might not be sh=red by either of the sides) that it gave an objective and true view point.=span> You and Mona are the main characters and this too, I think, is very c=ever. To show that a third party has an important role to play and maybe i= would encourage dormant parties.

i must admit that Ehud and I left after ¾ of the play when it start=d to make a sketch of Arafat and Shimon Peres. excuse us of being so earne=t about the issue... best regards to Mona and the kids, Thanks again for the opportunity (the show was fully booked and I und=rstand that it will start in London too. Great).

all the best

Nili
