Haven't done anything yet. =ave to talk to someone who really know the best way to handle it, of =ourse with an eye to maximized results, if you know what I =ean. Recently turned down \$100mm on the spring =t building. It has become real money. Who would =ave guessed.

Last week I was trying to =o through a lot of crap in my safes. There were some old bonds =hat P&S had. I went to cash them in because bonds =nly pay interest for 30 years and these bonds were from the =0's. I had the death certificates, power of =ttorney from Paula (which turns out is moot after one dies) will, and a =igned and notarized delegation from you. Some bank moron in the =egal department could get his head around this, so the branch manager =ust bypassed him by getting a green light for you. =/span>

Trying to get rid of a lot =f stuff so that Jason and Serena don't have to go through this =ame ordeal in years to come.

Linda Eisenstein is coming to NY this week. Do you have any interest in seeing her?
