Thank you for the revisions.

If you are charging a commission we =nderstand and agree. However, is this a back to back = transaction with an American company? We have unique cir=umstances that requires an answer. Please email back as I will have limite= phone availability this afternoon.

Contract makes reference to an Export C of A and requires Purchaser to pay the costs to get the plane to qualify for an Export C of A, but N registered? Contract makes reference to delivery in Europe? If N registered, then why Export C of A and European delivery?

Contract is subject to Buyer's acceptance in a number of places when it is Buyer who is making the offer and it is the Seller who must accept.

\$3.5 MM deposit seems high for a \$28,500,000 price.

No penalty to Seller if they refuse to make any discrepancy corrections; only get the deposit back; we should get inspection costs and transaction costs if they refuse to make discrepancy corrections. No provision for a second flight test to check discrepancy corrections

Hours and Cycles on the Specs are from May 2014 and need to be updated.
