Hi Jeffrey,

I see your point. Her looks and brain correspond more for what you might be looking for though...she really really wanted to be considered :) one should be given a chance to accomplish the dream!!  
But ok, no more over 24! Sorry for that.

Berkeley costs: usd 27,5 [REDACTED] for tuition, 1 [REDACTED] insurance and 4 [REDACTED] the university dorm. They communicate the exact price in May. No letters needed for now. Then plan is to stay after school and pass the Bar. I take it in February 2018. Berkeley finishes August 2017.

Photos from Italy now...it's mesmerising by Lago Maggiore 😊  
Where are you ?

Kind regards,  
[REDACTED]

what is needed for Berkeley, ? \$ s etc letters ?  
not sure why you would send a 28 year old, when the requirement is different. This is why you cannot work for me, working for real biz means following directions carefully, , improvising is not until you are 40

Dear Jeffrey,

How are you doing? When do you reach new york city ? Im in italy by the lake, on the boarder with Switzerland. It is so beautiful..

My laptop is broken so i do my best to send you summaries of resumes, video of applicants and their pictures in one email with Ipad. So i send you as i can... I talked to them and made my comments below. Please tell me if you call, meet anyone of the applicants soon.

I must decide for Berkeley by 1 May at the latest to be able to make visa, etc. I would be so thankful for the second part of the scholarship from you to finish these studies and become a lawyer in USA. Can't wait to see you again!! And tell me what you think of this brilliant girl [REDACTED] when you meet her :-)

1. [REDACTED] - the best and the most suitable candidate for you after [REDACTED] of course [REDACTED] has a green card and is currently based in LA. She studied in Kaliningrad before. She did a lot of charity and philanthropy projects with Russia for the past 5 years. She has extensive experience raising funds for good will/helping people projects. She used to do modeling and playing volley ball. She is very well travelled, seen and experienced the world. She worked as assistant in real estate agency in USA. She wants to stay in USA and work hard and sounded like willing to do anything you ask her. But again, Jeffrey, dont scary candidates away asking to swim naked around the island because [REDACTED] got uncomfortable when you joked around about this....just go smoothly with them about everything you want them to do..

She made a lot of efforts to follow up with me on calls, made video of herself, always asked if i have any news or when i can call her, made a presentation answering my questions too. She takes it very seriously and ready to work hard. [REDACTED] dreams to have a job. She is very hard-working and sets her mind on something and achieves it. She studied languages and philology in Moscow university before but dropped because she got a scholarship to study in USA. She has a work permit in USA. She comes across a serious person who can make things happen and likes charity and teaching. She teaches russian kids languages and jewish culture in schools in new york as a hobby. She has a good brain, can be a good administrative assistant for you, but will need intellectual challenges at some point. Movie making is kind of her hobby.
