I am creating a dance theatre and I am looking for a name for it ...I like the math Symbols..Pi, momentum..My eyes caught this beautiful shape of S in mysterious math formula...two hours I am trying to find a name of it, but I can't...I was so bad in Maths when i was in `school...so pity...I find it so beautiful today..all these formulas..numbers..completeness..I have this white jealousy for you, because you are a genius of Math!
