Hello [REDACTED]

I hope that =ou had a fabulous Thanksgiving! I wanted to check in and let you guys =now that the ballet fund has run out mostly because it's been a very =usy month for Ballet Palm Beach. They had the Nutcracker =erformances this past weekend Friday Saturday and Sunday. It was = wonderful production !

We have seen =ots of strains and sprains, tired backs and sore feet to say the least. =nbsp;

We wanted to check in and see if Jeffrey =ould kindly consider a ballet fund for the professional dancers again =s it has been exhausted.

As usual please =xtend the offer to Jeffrey that the Doc and I would be happy =o come and treat him. As of yet he has not taken us up on the offer. =nbsp;

Below is a (not so good) picture of the =tage with the principle dancers doing Sugar Plum. Both are =rateful for the treatments! As we are to work with them =oo!

Thank you very =uch!

Dawn
