Subject: Jeffrey Epstein

Hello Kafrawi,

Jeffrey Epstein would like to set up a time to Skype with you this week. I
believe you are 11 hours ahead of NY?...Might you be available for a Skype
call at 8am East Coast time on Tuesday April 2nd? (so 7pm your time? Is
that correct?)

Please let me know if you are able to Skype and if this day/time would work
for you?

Thank you,
████████
