~This year's fest runs from July 10-28 and will =eature the likes of Sarah Silverman, Seth Meyers, Joan Rivers, Eddie =zzard, Taran Killam & Bobby Moynihan, Nick Kroll, Amy Schumer, Colin =uinn, Colin Mochrie & Brad Sherwood, Kristen Schaal, Bo Burnham, =annibal Buress, Danny Bhoy, Marc Maron, Pete Holmes, Tig Notaro, Maria =amford, and Judah Friedlander amongst tonnes of other hilarious dudes and =udettes.

~Just for Laughs 2014 Line up =ust-Sees

Acrobatic comedy troupe The English Gents in =id-performance during Montreal comedy festival Just for Laughs. Every year= Just for Laughs offers hundreds of free outdoor shows to the public in =ddition to their indoor show roster.

Who doesn't love Seth Rogen?=Comedy it man Rogen is the stuff that bromance fantasies are made of, a =rowing source and supply of fratboy screenplays and male-centric premises =uickly turning the Vancouver native into one of the most sought-after =omedic talents in the industry.

The king of the roast, Don =ickles practically invented insult comedy. He's been tearing down =elebrity egos for close to 60 years. And he has his early-day hecklers to =hank for it. It's because of them that he turned into the comedy shark =hat he is, so much so that he started dumping more of his pre-written act =o make time for shooting down in-person naysayers. His verbal shin kicks =ere so effective and such a popular draw, that it was only a matter of =ime before he got to attack Hollywood's heavyweights and become one of =ohnny Carson's favorite guests on The Tonight=C2>Show.

Don't be fooled by Godfrey's good looks. This =omedian is HOT.

The host of Just for Laughs' Date Night: The =elationship Show, Godfrey performs with Lynn Koplitz, Julian McCollough, =oe Matarese, John Heffron (and possibly others to be =nnounced)

Comedy vet Bobby Slayton doesn't beat around the =ush. He'd rather talk about it.

Having upset down syndrome =ircles and been accused of antisemitism in recent years, Tommy Tiernan =sn't one to fear controversy. Nor skirt it. The Carndonagh native prefers =elving into it head first. All Tiernan asks is that people recognize an =ct when they see it.

Maz Jobrani. I totally vouch for this =gentleman. Every clip and live act I'm seen him in was solid, including his=2012 Just for Laughs gig as the host of The Ethnic Show.

Kind regards,
camille E.
