I chose this job because it's a great opportunity for me to learn and grow. Francesco (the owner) is a great entrepreneur and also a family friend. His brother Marco Boglione is the owner of Superga, [REDACTED]-way and other brands... I'm also working with Sveva, a very good friend of mine so it's fun ! The shop is super beautiful and they sell lifestyle stuff (furniture, food, plants, courses...) a bit like Colette and it's expanding. Francesco (owner) wants me and Sveva to start from the bottom and work in the shop for 2 months and then grow. He also said that the 2 other internship days will be paid. He is very open to new ideas and he told me that whatever I have in mind I should tell him and if it's good he will make it happen. For example he liked an idea I had of making their own sweaters, T-shirts... with their logo on it because when I was in the shop many customers asked me if they could buy it but they didn't have it. He is going to train us on Tuesday so that we will be able to understand all the process of buying and producing our own clothing brand so that we can take care of it in the future including all the online part. Yesterday I helped out the visual merchandiser guy for the display of shop and windows and all the flower arrangements so it was super nice. I'm also learning to deal with customers, learning about plants, how to make a beautiful table setting and use the cash machine !!
