Hello Jeffrey, I have only one way to be in Paris at the end of September - it is to prolong my visa with one of my parents. They don't give it to single Uzbek girls - I know it's stupid, I planned for tour, but problems with dates, I figured them when you wrote me that you will be there until September 14, I understand, you can't know when you will have something urgent or not.

But for now here is the view:

I really need to know something sure with date, I'm sorry that I'm asking that, but it's really important, they wait. You wrote it will be 30th of September, so can I be sure to come to Paris at 1st of October and see you? I already paid for that but I have time limit to change the dates and should know that exactly because if you are not sure you will be there there will be no reason to fly there anymore

Thank you in advance Jeffrey,

Hope to receive the answer soon
