Dear Rich,

I understand the ask but it is indeed one or the =ther. A cover lot placement is the best and ideal =arketing. Personally, the special separate marketing book (vanity catalogue) has always the concession for a lot that cannot be =n the cover due commitments to another work (like Jeffrey's) or = collection/group of works from one collector that wants to be =memorialized and usually just for the shelf of the collector and their family. You do have a choice but I would take the =ack cover!

Call me with any questions, as I am currently in my =ffice.

Evening Sale catalogue just came out. I =essengered to Jeffrey and your copy you should have tomorrow as we only =ave your office address and these will not be delivered before 6 pm.

Best wishes,

Sharon
