Jeffrey  
We are comfortable with either choice of LSJ or NY.

Bangor Customs is open 24hours, just need 3 hour advance notice.,

Paris - Acores 3+40min (-56kt headwind)  
Acores - LSJ 5+19min (-5kt headwind).

Paris - Bangor Maine  
7+02min (-53kt headwind).  
Bangor to NY 1+00min (-35kts headwind)

We were able to get Aux fuel out of both tanks fwd and Aft tanks this trip, using One boost pump for each, there are two in each tank for redundancy.

There is only one Fuel valve for Aux tanks by design, so if this valve fails= there is no backup, so using one boost pump to get aux fuel out, isn't as bad as it sounds.

Thx  
Larry
