Withings will soon become Nokia

As you may have heard, our digital health devices will transition to the Nokia brand in early summer. The name change is just the beginning. We can't wait to share our latest innovations, including a complete redesign of the Health Mate app that will enhance its form and improve its features.

We're committed to you

Thank you for being one of our longtime users. Although changes are coming, some things will stay the same. We want to assure you that any and all devices that you own now will still be supported. We will continue to offer updates and improvements, and all your data will remain secure and available in our apps.

If you have any questions, please visit our FAQ.

You are receiving this email because you have a Withings account.
