Subject: Paris schedule

[REDACTED] and [REDACTED] have confirmed the dates you suggested [REDACTED] interview for the US visa is scheduled on the 15th); please let me know if we shall book their flights? [REDACTED] could meet me at the airport in Moscow and we could fly to Paris together.

I am meeting [REDACTED] and [REDACTED] tomorrow [REDACTED] said she would confirm later - she is flying on from Germany tomorrow and leaving again on the 18th. She said she would do her best to meet.

[REDACTED] is flying to Novosibirsk tonight (I will skype her once she is home, I hope the connection will be better).

After my meetings this week, we could decide about who else to bring to Paris.

We texted with [REDACTED] three times, and so far she hasn't even said "hello" once, will see how she behaves in person.
I saw she was in Miss Russia contest
